

DECIDED VIEWS OF THE MINORITY

Two Reports Presented in the House Regarding Eligibility of Senator Knox.

MEASURE MAY GO THROUGH

CONSTITUTION TO BE EVADED BY LEGISLATIVE ENACTMENT.

Washington, Feb. 13.—Although the bill removing the bar to the eligibility of Senator Knox to become secretary of state in the Taft cabinet was reported promptly to the house today from the committee on election of president, vice president and representatives in congress, the filing of a minority report also indicates that a contest will be made against the passage of the measure.

Representatives Gaines of West Virginia, author of the house bill, which is identical with that passed by the senate, expects to call up the measure next Monday on suspension of the rules.

Walk to Your Meals Like a Man

Eat What You Will and Learn to Enjoy Food and to Digest It.

HERE'S THE SECRET, FREE.

Make up your mind after reading this that you will let the next meal hold no terrors for you.

You can enjoy it. You can digest it. All that is needed is to give nature the chance to remove the terrible, irritating acids, alkalies and gases which turn food and nourishment into gas and decomposition.

When a system is run down and depleted it needs building up. Asides won't rekindle a fire and wrong digestive fluids will not take proper juices from food no matter how good the food is.

Is this common sense? Men spend years and even life experimenting on the human system, what it lacks in disease and what it needs in perfection. This knowledge is known to every physician and should be. Stuart's Dyspepsia Tablets are compressed natural vegetable and fruit essences which when mixed with the saliva of the mouth go into the stomach capable of digesting a full meal and they digest it to the uttermost shred. Then such a meal does a man good and it gives to him the means to overcome stomach troubles. Forty thousand physicians use these tablets and charge you for writing a testimonial of their merit which they call a prescription. Any druggist in America or Canada will sell you a box for 30c. Think of it. Every druggist carries them. Here's common sense again. Don't tell you there is merit? Go to your druggist today, buy a package and walk up to your meals knowing that they will not cause you pain. Send us your name and address and we will send you a trial package by mail free. being restored to its present amount that that would not be clear evasion of the plain provision of the constitution.

"The office of secretary of state will probably be held for eight years by its next incumbent, and a designing senator could reasonably anticipate that although his salary would be temporarily reduced in the closing years of his senatorial term, at the expiration of that term it would, through his influence, be restored."

I Cure to Stay Cured I Don't "Patch Up" For Men Only

No law of Nature can be abused without entailing a fearful penalty sooner or later. A man who has been indiscreet in any manner, no matter at what age, overworked himself or dissipated in any way, after a time finds himself growing timid, nervous and forgetful. He loses confidence in himself and energy for business pursuits. He has unnatural drains at night, is weak and restless at night, and his sleep is not refreshing. He has pains in his head, lame back, spots before his eyes and dark circles under them, telling the story of his weakness to every one who sees him.

Thousands of men in this country are victims of this terrible disease. Thousands go yearly to a premature grave or to an insane asylum, and many die of Consumption, brought on by this weakness. Thousands of others who simply suffer from a weak, tired feeling and loss of energy, never imagine they are suffering from the early stages of Lost Vitality, and would be surprised if they were to thoroughly learn this meaning. We find such sufferers in all walks of life—in the pulpit, on the farm, in the workshops, or wherever there are men overtaxing their bodies and their brains. It is no disgrace to be a sufferer from nervous vitality weakness, but it is a disgrace to neglect God's greatest gift, your precious health, when a cure is within your grasp.
